

Opening a PERDIXPro Account

Getting in touch

Thank you for choosing PERDIXPro for your wildlife monitoring and management activities. So we can understand more about your project needs, we invite you to complete our contact form, via the Contact tab on our website.

We will be in touch to discuss how various features of PERDIXPro can help provide your project with digital solutions.

Requesting an account

We will send you a link to request an account, providing your necessary details.

(If you have purchased PERDIXPro enabled devices, such as trap tags or trail cameras, we will automatically send you a link to request an account).

Activating your PERDIXPro Account

Once you have completed an account request, we will open your account. You will receive an account activation email, but if not, please check your spam folder before contacting us to request another email.

To use PERDIXPro in the field, you can download the PERDIXPro App and the PERDIXPro Fieldbook App from either the App Store or Google Play.

Log in details are the same for both the PERDIXPro Portal and PERDIXPro/PERDIXPro Fieldbook App.

Purchased devices

After opening your account, your purchased devices will be input into your PERDIXPro account's Device Inventory and sent to you.
